Editorial Index for Volume 23 1991

INDEX OF ARTICLES

AGM and safety in tunnelling (BTS) ..... Jan p37
Additives and admixtures in modern tunnelling ..... Jul p49
Additives and mixtures for shotcrete ..... Jan p54
Aller Valley sewerage scheme: Round the bend in compressed air ..... Jun p42
Angel captures Harding Prize (BTS) ..... Oct p51
Angel, double-barrelled ..... May p44
Antwerp's industrial development, Immersed tube promotes (Liefkenshoek Tunnel) ..... Sep p41
Austrian road tunnel supported by water-expanded bolts ..... Summer p13

Bazalgette: A great Victorian Pioneer ..... Dec p43
Bonn, Jet setting under ..... Apr p29
Boreability assessment for the Lesotho Highlands Water Project ..... Jun p55

Cairo Wastewater: Tunnelling alongside Egypt's heartbeat ..... Jul p17
Catalonia's coast road, Underground links in ..... Oct p17
Central Line: London takes stock of its Underground asset ..... Jul p33
Channel Tunnel, Design and construction of the ..... Jan p20
Channel Tunnel: ..... Spring 1991
France:
Tunnel excavation on the French side p8
Overcoming constraints to construct the French crossover chamber p12
Tunnel lining French style p17
French spoiling operation p20
How the TBMs have made it possible p24
Fair blows the wind from England to France p30
UK:
Design and construction of the Channel Tunnel p8
Field engineering under the sea: excavating the UK crossover chamber p17
Lining design for UK structures p24
The exacting challenge of UK spoil disposal p29
British Channel Tunnel: safe design p31
Chicago's on-going sewage saga (TARP) ..... Apr p18; Autumn p8
China Tunnelling Review: Chinese whispers hold few promises ..... May p21
China's economic development, TBM contribution to ..... Jun p36
Clearance improvements for US rail tunnel ..... Nov p37
Compressed air, Round the bend in (Aller Valley sewerage scheme) ..... Jun p42
Compressed air working and risks to health (BTS) ..... Mar p43
Conveyors: Hauling out the muck ..... Sep p59
Conwy, Estuary bypass for (Immersed tube) ..... Mar p19
Craig Project: New technology in shaft sinking ..... Dec p23
Cut-and-cover techniques, The Limehouse Link: two ..... Jan p16
Cyprus water tunnel: The world's longest single TBM drive ..... Sep p21

Design and construction of the Channel Tunnel (BTS) ..... Jan p20
Design studies for Norway's Olympic cavern (Support Classification) ..... Oct p23
Drill+blast, US: Tunnelling through trouble in the Rockies ..... Mar p36
Drilling jumbos and consumables: Rounding up the mammoths ..... Jan p59

Eastern Harbour Tunnel, Ventilating Hong Kong's ..... Jun p52
Egypt: Cairo wastewater ..... Jul p17
Epine Tunnel, Doubling the ..... Jun p31
Euphrates diverted via twin-bore tunnels (Southeast Anatolia hydro scheme) ..... Nov p15
Explosives and detonators: Blasting makes an impact ..... Apr p53

Finse Rail Tunnel: Tunnelling against the snow and granite ..... Jun p19
Fires in tunnels, Dealing with (BTS) ..... Sep p37
Flameproof tail grease, Development of ..... Oct p59
Flatjack measurements test lining behaviour in a Swiss rail tunnel ..... Mar p61
Flooding, Tunnel: Massive water inflows overcome in US soft ground tunnel ..... Sep p47
Forks of the Butte (Disposal problems in the US) ..... Oct p37
France: Doubling the Epine Tunnel ..... Jun p31

Ground Freezing, UK: Total temporary support ..... Oct p31

Hanging Lake: Tunnelling through trouble in the Rockies ..... Autumn p38
Harding Prize, Angel captures (BTS) ..... Oct p51
Heading through trouble at Pen-y-Clip ..... May p30
Highway tunnelling in Japan: Nakamura tunnel highlights NATM ..... Summer p31
Hong Kong road tunnel: Tate's Cairn BOT triumph ..... Oct p28
Hong Kong's Eastern Harbour Tunnel, Ventilating ..... Jun p52
Hoover Dam: Tunnelling for tourists ..... Dec p35
Hydro power comes of age, Underground (Taiwan) ..... Apr p37

IChem.E versus ICE (BTS Debate) ..... Jun p68
Immersed tube: Estuary bypass for Conwy ..... Mar p19
Immersed tube promotes Antwerp's industrial development (Liefkenshoek Tunnel) ..... Sep p41
Inclines and Declines, Mechanical excavation of ..... Dec p51
India, Tunnelling in : An analytical approach to tunnel construction ..... May p71
Interceptor sewer, Oldham's new deep (BTS) ..... Nov p43
Italian tunnels in antiquity ..... Mar p55

James Bay Hydro electric scheme: Pumping power from Canada's northern wastelands ..... Autumn p31
Japan, Highway tunnelling in: Nakamura tunnel highlights NATM ..... Summer p31

Karawanken tunnellers a headache, Coping with stress gives ..... Summer p21

Lesotho Highlands Water Project, Boreability assessment for the ..... Jun p55
Liefkenshoek Tunnel: Immersed tube promotes Antwerp's industrial development ..... Sep p41
Limehouse Link: two cut-and-cover techniques ..... Jan p16
London Ring Main, Balancing act on the (BTS) ..... Dec p47
London Underground Central Line: London takes stock of its Underground asset ..... Jul p33

Machine safety, Setting new standards for (European Normalisation) ..... Mar p67
Mechanical pre-cutting: A tunnel technique rediscovered ..... May p60
Medway by immersed tube, Crossing the ..... May p57
MEPAS: Turning the tide on Mersey pollution ..... Dec p30
Methane in tunnels: How to avoid an explosive situation ..... Sep p27
Mexico's king-size hydro scheme ..... Dec p17
Microtunnelling ..... Mar p93; Jul p61; Oct p71
Milan rail link: cellular arch technique for large-span station cavern ..... Nov p23
Mixshield masters the Ruhr in Mülheim ..... Jan p29
Moscow, Municipal tunnelling in ..... May p65
Mrica, Eight-face tunnelling plays key role at (BTS) ..... May p36

Nakamura tunnel highlights NATM (Highway tunnelling in Japan) ..... Summer p31
NATM a winner for Wheaton (Washington Metro) ..... Summer p35
NATM in soft ground for Fort Totten Station - Washington DC Metro ..... Jul p38
NATM stands up for itself (Salzburg Colloquy) ..... Mar p32
Norway - Finse rail tunnel: Tunnelling against the snow and granite ..... Jun p19
Nuclear waste underground, Storing (BTS) ..... Apr p42

Oberrieden road tunnel: variations on an NATM theme ..... Nov p49
Oldham's new deep interceptor sewer (BTS) ..... Nov p43
Olympic cavern, Design studies for Norway's ..... Oct p23
Oslo's ring road ..... Jul p29

Pen-y-Clip, Heading through trouble at ..... May p30
Pipe jacking and microtunnelling review ..... Sep p54
Premill pre-cutting, Spanish debut for ..... May p62
Pumps, Sludge & Water: Moving water, mud and muck ..... Mar p75
Puymorens: Blasting for a straighter route ..... Sep p32

Rail tunnel, Clearance improvements for US ..... Nov p37
Rail tunnel, Flatjack measurements test lining behaviour in a Swiss ..... Mar p61
Railed mucking out systems: Keeping muck on the rails ..... Dec p59
Record, New Austrian tunnelling ..... Apr p34
RETC preview: US show commands worldwide support ..... Apr p47
Road tunnel to serve Rome's airport ..... Jan p43
Rock bolts: Vanguard of support ..... Oct p63
Rockies, Tunnelling through trouble in the (US drill+blast) ..... Mar p36
Rome's airport, Road tunnel to serve ..... Jan p43
Ruhr in Mülheim, Mixshield masters the ..... Jan p29

Safety - an attitude of mind, not a department ..... Sep p53
Salzburg colloquy: NATM stands up for itself ..... Mar p32
Salzburg's museum inside a mountain ..... Jun p48
Sewage saga, Chicago's on-going (TARP) ..... Apr p18
Shotcrete additives, New advances in ..... Jul p55
Shotcrete, Additives and mixtures for ..... Jan p54
Sludge & water pumps : Moving water, mud and muck ..... Mar p75
Soft ground drilling, Developments in ..... May p51
Soft ground limits, Giant urban cavern stretches existing ..... Summer p7
Soviet tunnelling: Municipal tunnelling in Moscow ..... May p65
Soviet-American tunnelling ..... May p65
Spain: Heading through trouble under the park (Madrid) ..... Jul p24
Underground links in Catalonia's coast road ..... Oct p17
Spanish debut for Premill pre-cutting ..... May p62
Spanish Tunnelling — The boom continues: Metro solution to Bilbao's traffic chaos ..... Jun p25
Spritzbeton-Technologie: Major supporting role in tunnels ..... Jan p34
Squeezing clay in check, Non-shielded TBM holds ..... Jan p50
Standards for machine safety, Setting new ..... Mar p67
Steel fibre shotcrete lends support to the NATM ..... Summer p40
Stockholm's stormwater, Snake to swallow ..... Nov p29
Storing nuclear waste underground (BTS) ..... Apr p42
Strand Underpass: Key London link refurbished ..... Nov p33
Support Classification: Design studies for Norway's Olympic cavern ..... Oct p23
Support selection, Appropriate ..... Oct p42

Taiwan: Underground hydro power comes of age ..... Apr p37
Tough tunnelling to complete Taiwan's Southern Rail Link ..... Jul p43
TARP: Chicago's on-going sewage saga ..... Apr p18
Tate's Cairn BOT triumph (Hong Kong road tunnel) ..... Oct p28
TBM holds squeezing clay in check, Non-shielded ..... Jan p50
TBM contribution to China's economic development ..... Jun p36
TBM drive, The world's longest single (Cyprus water tunnel) ..... Sep p21
TBMs, Harbour will sparkle in wake of (Boston) ..... Autumn p21
Textile packing seals the tail ..... Jan p33
Tunnel collapse: Understanding the mechanisms of failure ..... Sep p17
Tunnel rehabilitation encourages innovation ..... Autumn p43
Tunnelling '91: London hosts international show once again (+ Conference & Exhibition previews) ..... Mar p49
Tunnelling '91 Proceedings (Book Review) ..... Sep p63
Tunnelling in a changing world: 24th Sir Julius Wernher Memorial Lecture ..... May p67
Turkey: Euphrates diverted via twin-bore tunnels ..... Nov p15

US Perspective: Safety - an attitude of mind, not a department ..... Sep p53

US soft ground tunnel, Massive water inflows overcome ... Sep p47

Ventilating Hong Kong's Eastern Harbour Tunnel ... Jun p52
Ventilating long road tunnels, Alternative methods for ... Oct p47
Ventilation: Blowing fresh air down the tubes ... Jun p64
Vienna Metro: Bridging the NATM information gap ... Summer p17
Warming up in Munich ... Mar p27
Washington DC Metro:
NATM in soft ground for Fort Totten Station ... Jul p38
NATM a winner for Wheaton ... Summer p35
Water-expanded bolts, Austrian road tunnel supported by ... Summer p13
Waterproofing, Tunnel: Materials for keeping out the wet ... May p76
West Rideau collector sewer ... Autumn p14

COMMENT

Safety blue-print for a new era ... Jan p5
Building on shifting sands ... Feb p3
Contracts at issue ... Mar p5
Engineering accolade (UK part) ... Spring p5
Entente cordiale (French part) ... Spring p5
Hawks, doves and vultures ... Apr p5
Good to be alive at Tunnelling '91 ... May p5
Recession . . . what recession? ... Jun p5
The circle of resistance ... Summer p5
Urban regeneration: the way ahead ... Jul p5
Sign of the times ... Aug p3
Safe working in a hazardous industry ... Sep p5
Seeing green/Falling foul of hygiene ... Oct p7
Pioneering spirit ... Autumn p5
What price knowledge? ... Nov p5
UK Channel link betrayal ... Dec p5
